NGK METALS PRODUCTS COMPLY WITH
Defense Federal Acquisition Regulation # 252.225-7014
" PREFERENCE FOR DOMESTIC SPECIALTY METALS "

This bulletin is to confirm that purchasing NGK Metals copper and aluminum alloys are consistent with the terms of DFAR 252.225-7014.

Do not be confused by 'country of origin' requirements that do not apply to these materials.

This has been specifically reviewed by the Senior Procurement Analyst, USD(AT&L)DPAP/DARS.

Sincerely,

A handwritten signature in black ink, appearing to read "Nate Gildersleeve", written over a horizontal line.
