

NGK Metals Corporation

917 US Highway 11 South • Sweetwater, TN 37874 • 800-523-8268

**NGK METALS PRODUCTS COMPLY WITH
Defense Federal Acquisition Regulation # 252.225-7008
" PREFERENCE FOR DOMESTIC SPECIALTY METALS "**

Please note that NGK Metals strip and wrought products are cast in Japan, a qualifying country listed in 225-225-7002.

Also, please note that Copper alloys are not listed as a specialty metal under 225.225.7008:

- (i) Steel-
- (ii) (A) Nickel or Iron Nickel alloys
(B) Cobalt alloys
- (iii) Titanium or Titanium alloys
- (iv) Zirconium or Zirconium alloys

Therefore, any copper alloy is compliant.

Sincerely

A handwritten signature in black ink, appearing to read "N. Gildersleeve", written over a horizontal line.

Nathan Gildersleeve
